Sam, HELP!!! It's exam time. 😱 I need your help. You're good at exams ...

Joe 11:31

Haha! Yeah, I can help you. You're my favourite cousin! 😊

Sam 11:31

👍 Thanks. What can I do? I have lots to learn and not much time.

Joe 11:31

Don't worry – plan your time. Make a timetable.

Sam 11:32

How many hours a day do I need to study?

Joe 11:32

Well ... start studying 3 or 4 weeks before your exams. The first week, study about an hour a day.

Sam 11:34

That isn't too much!

Joe 11:34

No, it's not much at all. Choose a couple of days to have free too.

Sam 11:34

Free days? Are you sure?

Joe 11:34

😊 Yeah, it's important to do other things. You need time to do your normal homework and see friends too.

Sam 11:35

And play football.

⚽ Joe 11:35

Study for an hour and a half a day the second week. And the week before the exams, you can study for two hours a day.

Sam 11:36

Every day?

Joe 11:37

No. You can have some days free for football and TV.

Sam 11:37

😄😄😄 Joe 11:37

The important thing is to write everything in a timetable and then do it!

Sam 11:38

Cool. It sounds quite easy. 😊

Joe 11:38

It is! Try it! Start now and plan your study timetable.

Sam 11:39

You're the best! Thanks. 👍

Joe 11:39

Good luck!

Sam 11:39
