## What's your favourite film?

This week, Liam, aged 12, tells us about his favourite film.

I hardly ever go to the cinema but I sometimes watch films on my computer.

My favourite film is *Iron Man*.

It's an American science-fiction film. I think this film is about three years old and all my friends love it.

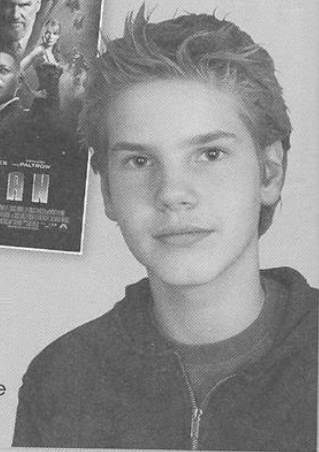

The film is about the superhero character, Iron Man.

Robert Downey Jr stars as the engineer, Tony Stark, who designs a special suit. Stark wears the suit and

he becomes the Iron Man. Gwyneth Paltrow is his assistant.

I really like this film because both actors are brilliant.

The special effects are fantastic too. I would recommend this film to people who enjoy films with action and adventure.
